How your support helps

At Addenbrooke's Charitable Trust (ACT), we believe that every patient deserves the highest quality of care available. We support Addenbrooke's and the Rosie hospitals by raising funds for cutting edge technology, additional specialist services, vital research and extra comforts for patients that make all the difference over and above what would be possible through NHS funding alone.

Your weekly participation in our lottery will help us to quickly and flexibly address areas of greatest and most urgent need across Addenbrooke's and the Rosie. Every time you play you will help provide a vital source of income. It is thanks to our regular supporters' generosity that we can make a difference for patients day after day – thank you.

Your chance to win up to

£25,000

and make a difference for patients at Addenbrooke's and the Rosie hospitals

ACT Lucky!

Addenbrooke's Charity Lottery is a lottery with a difference. Every week you have the chance to win a **£25,000 jackpot** plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support patient care at Addenbrooke's and the Rosie hospitals.

The more people play the more money we receive, so we need your support. For every £1 entry at least 50p comes directly to us to make a difference for patients.

How it works

The draw takes place every Saturday and each entry costs just £1. When you join the lottery you're allocated your own 6-digit lottery number. A random winning number is drawn – the aim is to match the winning number.

If you match...6 digits you'll win	5 digits you'll win £1,000
£25,000	4 digits you'll win £25
plus a £2,500 donation goes to Addenbrooke's Charitable Trust	3 digits you'll win £5

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

Example

This is a 4-number, £25-winning match

Random winning number	Your lottery number
325774	326574

All winners are notified and prizes posted automatically if you win, so you can't miss out!
